25X1A A member of the Central Intelligence Group staff and myself are heading north next week to talk with [REDACTED] regarding ideas for the setting up of a library in the Central Intelligence Group. This is along the lines I discussed with you and [REDACTED] at the Convocation. We are extremely anxious to get ideas as to how to set up a library and reference center and the pitfalls to be avoided.

25X1A If it is convenient for you, I plan [REDACTED] on Thursday morning, December 5, to talk to you about this. I will be accompanied by [REDACTED] of our staff. I should think that it might be a good idea to talk with [REDACTED] also, because of his long connections with O.S.S..
